Money and success don't change people; they merely amplify what is already there.

How to safely use Support Groups?

Read the Group Rules upon joining! Each group has their own Rules which can be found near the About information.

Helping Your Loved One Initiate Recovery

A group is a collection of individuals who interact with each other such that one person's actions have an impact on the others. In other words, a group is defined as two or more individuals, interacting and interdependent.

About Helping Your Loved One Initiate Recovery

Want to socialise, but don't want to feel like you have to drink while you're doing it? If you're a fan of chilling out over a cup of coffee, the outdoors, the cinema, dance classes, day trips, surfing, picnics in the park, biking and much more besides, this could be the group for you...

Perhaps it's just me, but since giving up the drink I've come to notice how my old drinking social framework doesn't seem to adapt well to my new non-drinking lifestyle. I'd like to form this group for all non-drinkers out there to get together and bond over a coffee or picnic in the park or whatever else we decide. I think it'd be nice to meet other non drinkers out there to form a group and find out together how to have the craic on the dry in Cork City :) Everyone is welcome, bring your friends if you like and I promise you'll meet a group of lovely and welcoming people.

Group Rules

1. There are many variations of passages of Lorem Ipsum available, but the majority have suffered alteration in some form, by injected humour, or randomised words which don't look even slightly believable.
2. If you are going to use a passage of Lorem Ipsum, you need to be sure there isn't anything embarrassing hidden in the middle of text.
3. All the Lorem Ipsum generators on the Internet tend to repeat predefined chunks as necessary, making this the first true generator on the Internet.
4. It uses a dictionary of over 200 Latin words, combined with a handful of model sentence structures, to generate Lorem Ipsum which looks reasonable.
